Dear [Management/Board],

Subject: Stocktaking Report and Recommendations ? [Company Name]

Introduction:

We have conducted a physical stock count at [Company Name] on [Date(s)] as part of our annual inventory verification process. The purpose was to validate the accuracy of stock records and evaluate internal controls over inventory management.

Methodology:

The stock was counted manually by trained staff, following the company's standard operating procedures. Random sampling was employed for certain high-value items, and all discrepancies were recorded and analyzed. - Category A: discrepancy of \$X
- Category B: discrepancy of \$Y
- Category C: discrepancy of \$Z

The primary causes identified include misplacement of stock, unrecorded stock movements, and possible theft.

The discrepancies highlight weaknesses in current inventory control processes. To address these issues, it is recommended that:

- Implement regular reconciliation procedures between physical stock and records.
- Enhance staff training on stock recording protocols.
- Improve security measures in storage areas, including CCTV and restricted access.
